Private Hands-On Scanning: Introduction to Internal Medicine Ultrasound: 2-day (NO OB-GYN)

The Gulfcoast Ultrasound Institute is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Gulfcoast Ultrasound Institute designates this live educational activity for a maximum of 14.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This course also meets CME / CEU requirements for ARDMS. Note: While offering the CME credit hours noted above, activities are not intended to provide extensive training or certification for exam performance or interpretation.

NEEDS STATEMENT:

The planning committee has determined a need for the following educational activity based on request from the medical community, expanded utilization of ultrasound, and lab accreditation requirements.

COURSE OBJECTIVES:

At the completion of the program the participant should be able to:

1. Increase participant's knowledge and competence to better perform and/or interpret Emergency ultrasound examinations
2. Demonstrate appropriate scan techniques and protocols for performing ultrasound examinations.
3. Improve scanning skills and increase diagnostic confidence.
4. Perform examinations under supervised conditions to help fulfill credentialing and/or individual certification requirements.

While offering CME credit hours this activity is not intended to provide extensive training or certification for performance of or interpretation of Emergency Ultrasound Examinations. We recommend working under supervised conditions until an acceptable level of proficiency has been achieved.

A special thanks to the following ultrasound equipment manufacturers who provide various (in kind) equipment support to help make our programs possible (companies listed are as of the time of printing).
