Private Hands-On Scanning: Introduction to OB/GYN Sonography

The Gulfoast Ultrasound Institute is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Gulfoast Ultrasound Institute designates this live educational activity for a maximum of 7.0 *AMA PRA Category 1 credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the educational activity.

NEEDS STATEMENT:

The planning committee has determined a need for the following educational activity based on request from the medical community, expanded utilization of ultrasound, and lab accreditation requirements.

Course Objectives: At the completion of this program the participant should be able to:

1. Increase the participants' knowledge and competence to better perform and/or interpret Gynecology and Obstetrical Ultrasound examinations.
2. Demonstrate proper transducer manipulation and system optimization to produce diagnostic images.
3. Demonstrate routine scan protocols for performing transabdominal and endovaginal GYN scanning and 1st trimester obstetric applications.
4. Identify normal fetal anatomy and perform a biophysical profile.
5. Increase confidence to incorporate protocols, scan techniques and interpretation criteria to improve diagnostic/treatment accuracy.

While offering CME credit hours this activity is not intended to provide extensive training or certification for performance of or interpretation of OB/GYN Ultrasound Examinations. We recommend working under supervised conditions until an acceptable level of proficiency has been achieved.

A special thanks to the following ultrasound equipment manufacturers who provide various (in kind) equipment support to help make our programs possible (companies listed are as of the time of printing).
